**You've made a difference to a young person's life – as  
well as your business and local community.**

By employing a school-based apprentice or trainee you've invested in  
your business and kept skills in your local community.

Dear <name>

Celebrate with us and tell us how your business benefits by taking on a school-based apprentice or trainee and  
what it means in your local community.

By offering school-based apprenticeships your business has helped us reach the big 3,000 milestone, that's  
3,000 young people in three years who are now on their way to career success.

Please find enclosed a certificate and sticker for display in your business recognising your commitment and  
support to making a difference to a young person's life in your local community.
